To Whom It May Concern:

Our organization is applying for an exemption from the Hawaii charity registration requirements as it does not employ or compensate a professional solicitor or professional fundraising counsel and for the immediately preceding 3 years has received on average less than $25,000 in annual contributions.

Contributions are defined in HRS Sec. 467B-1 as the promise or grant of money or property of any kind or value, **but excluding** amounts or property received from any government agency, grants or subsidies from any 501(c)(3) organizations, payments from members of the charity as membership dues, fees, fines or assessments.

Fiscal Year	Total Contributions*
1/1/2022-12/31/2022	$ 0.00
1/1/2023-12/31/2023	$ 0.00
1/1/2024-12/31/2024	$ 0.00

***Grants received from 501(c)(3) organization(s) and any government grant(s) are listed separately, on page 2. If no grants were received, Page 2 must still be included.**

The organization believes that it will continue to receive less than $25,000 in annual contributions.

I also certify that I am an officer authorized by the above-named organization to sign this form on its behalf. I understand that the execution of this form is subject to Section 710-1063, HRS, which makes the submission of an unsworn falsification to a government authority a misdemeanor.
